### **ABOUT THE COMPANY.**

Texmo Pipes And Products Limited a public limited company incorporated on 3rd July 2008 by conversion of Shree Mohit Industries which was a fast emerging and spearheading industry an associate of Shree Balaji Industries established since 1988 at Burhanpur (Madhya Pradesh). The Company is equipped with professionally managed team of skilled operators, efficient technocrats and dynamic marketing personnel's. The Company image has been developed in the market due to its high quality products through process excellence by promoting efficiencies, productivity and professionalism with the result our brand TEXMO has spread in the heart of millions of widespread clientele, Govt., Semi Govt. organizations and private sectors with in the country and abroad.

In the year 1988 our first unit has been setup there after developed four more units by forming a Group of Industries in the name Shree Balaji Group of Industries. Now all the units have merged and formed one single entity TEXMO PIPES AND PRODUCTS LIMITED. The production capacity has been increased to 75MT per day and now is being known as a market leader in plastic pipes and fitting. Beside this the company introduced new diversified products like CPVC Pipes, Molded Fittings of PVC and SWR, DWC Pipes, Drip Inline. This has been possible to meet our business goals because of our superior products, quality consciousness supply cycles and customer satisfaction. Our mission is to provide tangible benefits to all end users at every point of work.
